Schedules for 'Those who Serve in the Service'

Some changes have been made and unfortunately the schedules have been sent out. Please note----

There will be only one chalicist from now on unless the need for two is seen. All Chalicists -- please see the secretary for a revised schedule. She will have them after the service. If you cannot serve on the Sunday assigned to you, please switch with someone else on your team and let the secretary know about it. Thank you for your cooperation in this matter.

Updates . . .

Parking Lot ---As you know, it has been sealed and striped. Doesn't it look great! It may be several weeks before the bumpers are installed but they will be coming in the near future (Maybe three or four weeks.).

Carillon--- Needs repair on the laptop but it had to be sent out for these repairs. It will be in place again soon.

Search Committee---The Church Profile has been sent to the Reverend Mark Gatza. Robyn Mayfield took many pictures of the grounds and buildings (which he had requested) and after much chagrin she was able to get the computer to cooperate and get them on their way to him. NOW---THE Search Committee is waiting for him to furnish names of possible candidates to be interviewed. It may seem like feet are dragging but rest assured the process is moving right along. Please do your part and keep the Search Committee in your prayers. With God's help 'the perfect Priest' will be found for CTK. Many thanks!!!!

Stewardship Season is just around the corner. Bea Hooper will chair this campaign and so far Dave and Sandy Baker will work on this committee. Many more persons are needed, so if you feel so inclined please step up to the plate and join them. (Thank you) The Living Stewardship packets have been received. Since ' Pledges' are our main source of income, we can't stress enough their importance. Please start praying NOW as to what you will be able to do.
