LETS HAVE AN EXCITING NEW YEAR !

Harvest Festival

The golden rod is yellow! The corn is turning brown
While trees in apple orchards with fruit are bending down.

Hmmm

Sounds like harvest time to me.

Lauren Deponai thinks so too and a great time for a harvest festival. She needs everyone's help to make one a success, so please, everyone join in on October 11 and support her in this event. This can be fun for all.

International Sunday is August 24th. Th-th-th-that's today, Folks.

Here's hoping everyone is prepared to let us all know something about your home land. I have some questions I'd like to have answered.—First of all, I would like Juliana to show me how she ties those beautiful hats she wears. I'd like Edwina to sing some of the choruses she has sung in the past. Looking forward to everything (including the food.)
