A Parishioner's View on "A Call to Service".

President Obama has begun his tenure in office by pointing out needs and asking each of us to serve in some way to help meet our nation's goals in meeting these needs. Government cannot do it alone. I believe the same applies to our family here at Christ the King.

I often hear we need a new priest to get things moving and to show us how to grow. I do not adhere totally to that attitude. Yes, we do need a leader and a spiritual guide. However, I ask you not to use this as an excuse for inaction.

We all have imaginations, strengths and desires. I simply want to encourage us all, each and every one of us, to use our gifts and ideas to serve our Lord.

It is indeed time for a new beginning. Share your thoughts and be ready to help make our dreams for Christ the King come true.
